Spring bedding is ready to be pulled.

Plants are about 3 to 4 weeks behind due to cold dry weather.

They will catch up.

Saturday litter picker is now working - thanks expressed

Tree near clock to be removed.

CR, RS, OB have a walk round planned next week to review planting.

Volunteering in the park needs careful consideration. Government regulations for the public are not entirely the same for workplaces.

Employers are responsible for their employees.

Workplaces need to be Covid secure.

SBC staff work in a bubble so any infection could result in the entire team needing to isolate.

In place of signing in, text Richie on the morning to tell him when you will be in.

Richie will provide RB with a weekly job list to circulate.
